PAYMENT OF FEES

Paying for therapy is often a very sensitive topic. We can discuss your concerns about payment as needed. However, Texas law requires that all fee(s) are established and agreed to before we can begin. This section clarifies all fees, and defines your financial responsibilities.

The fees are as follows, payable each session and beginning at your first appointment:

- 50 Minutes individual therapy \$130.00
- 50 Minutes couple counseling \$140.00
- 4 Hours of Rapid Resolution therapy \$350.00
- Eating Disorders assessment \$160.00

A \$25.00 returned-check fee will be assessed.

1. Canceling or rescheduling appointments requires a (24) hour notice by telephone to avoid having to pay the entire fee for a missed session (No e-mails please.).
2. Telephone conversations between us, for any reason, in excess of (15) minutes per day may be billed proportional to your hourly fee.

LEGAL / COURT (all services)

Any and all time spent by the provider in relation to any legal issue, including disability claims, notarizing, paperwork for claims, signing any type of document, is at a rate of \$2,500 for the first 4-hour block or any part thereof. Every subsequent hour or part thereof, in the same day is at a rate of \$325. Each additional day begins this fee cycle again: \$2,500 for the first 4-hour block or any part thereof and every subsequent hour beyond the initial four, or part thereof, in the same day, at a rate of \$325. This begins at the time provider leaves office and continues until the time they return. By signing this agreement, you agree to be solely and fully responsible for all payments due, should the clinician or any other member of this office, be required or requested to be involved in any legal proceeding; including but not limited to mediation, court/trial, depositions, phone conferences, meetings and consultative services. You are still responsible for these, under contractual law, even if the provider is summoned under a subpoena. This payment must be made, in full, on each day the provider spends such time in relation to any legal issue.

- you or your child presents a danger to self for others
- a child or dependent adult is the victim of emotional, sexual or physical abuse, neglect or unjustified mental suffering
- a dependent adult or any person over the age of 65 years is the victim of physical abuse, emotional abuse, abandonment, forced isolation, fiduciary abuse, or neglect

Note: the preceding is a sample, and not a complete list of exceptions to confidentiality.

MEDICAL, PSYCHIATRIC and PSYCHOLOGICAL EVALUATIONS

If medical, psychiatric and/or psychological evaluation seems warranted, we will discuss the nature of these evaluations and appropriate referrals will be provided. If the need for evaluation(s) by other professionals is established and you do not follow these recommendations, your therapy may necessarily be suspended or terminated.

LIMITS OF COMMUNICATION

1. Every effort will be made to assist you, especially during crisis. However, there may be times when contacting you won't be possible. Therefore you must agree to first call 911 or go to the nearest hospital Emergency Room for assistance, any time you suspect you are in crisis.
2. As a standard business practice, each appointment ends 50 minutes from the scheduled start of the appointment, regardless of your arrival time. I am not able to extend sessions since appointments begin on the hour.
3. Calls are retrieved from my voice mail at (281) 693-1455 several times during the day (M-F) at random intervals.
4. If necessary, my voice-mail will provide the name and telephone number of a colleague

1. Ideally, therapy ends when we agree your treatment goals have been achieved.
2. You have the right to stop treatment at any time. If you make this choice, referrals to other therapists can be provided.
3. Professional ethics mandate that treatment continues only if it is reasonably clear you are receiving benefit. Other legal or ethical circumstances may arise and compel me to terminate treatment. In these cases appropriate referral(s) will be offered.
4. Other situations that warrant terminate include: regularly becoming enraged or threatening during session; bringing a weapon onto the premises; persistent drug abuse; arriving under the influence of drugs or alcohol; disclosing illegal intentions or actions.

FINANCIAL AND OFFICE POLICIES

OFFICE POLICIES:

Failure to keep your scheduled appointments with Nancy Stroud, L.C.S.W. hinders her ability to provide the best care to clients.

We ask that you show consideration by calling at least 24 hours prior to your appointment if you are unable to attend. Please call (281-693-1455) with your notification. This will allow the opportunity to offer that appointment to another client.

Failure to give the 24 hour notice necessary prior to cancellation will result in a "No-Show Appointment Fee."

THE NO-SHOW APPOINTMENT FEE is \$100.00.

Please provide valid credit card information in the space below. You will only be charged if you do not provide appropriate notice for your cancellation. You will be notified prior to being charged.
